THE SCOPE OF OUR ACADEMY

This is a soccer academy which is concerned with searching talents, development and promotion of young children with distinctive soccer talents. The academy is Registered and recognized by Tanzania Football Federation (TFF). It is operating in any region in Tanzania, Africa and Europe. This letter is given to talented players who have selected to join the academy.

GENERAL GOALS

The general goals for which this academy is established is to develop and link young children with potential soccer talent into different soccer opportunities inside and outside Tanzania, also to enable young children to use their talents effectively.

SOCCER TALENT DEVELOPING PROGRAM

The program is done each year for boys and girls for two sessions.

- The first session is starting January to June, every evening, Thursday, Saturday and Sundays for Boys and girls aged 5 to 22 years old. On July the academy prepares a team to participate in Norway cup, Laola cup in Germany, Duku Duku games in South Africa, International Dubai super cup and Gothia cup in Sweden each year. The costs for International tournaments (trips) are as follows
- Dubai 1900usd
- South Africa 1225usd
- Norway 2200usd
- German 2400Usd

NB; the cost might change due to changes of flight fares

- The second session is conducted every July to November.
- After assessing the players and providing feedback every month, our coaches and board of staffs will determine the development of a player hence building a player to meet international football standards
- We also have short training camps of not longer than 4 weeks only when we have invitation to travel to Europe or during holidays. At this time we teach and train them European system and style of play (modern football)
